Dear First Church Family and Friends,

We hope that you will enjoy and use this pictorial directory for years to come. The directory provides us another excellent way to get to know each other better and to feel an even closer sense of belonging to this branch of God's family.

This directory also tells an important, basis story - that the church is people. This church is God's people worshipping, learning, playing, praying, helping, working, sharing, supporting, and serving together. We do all of this for the glory of Jesus Christ so that His love might be better expressed through us in His ministry.

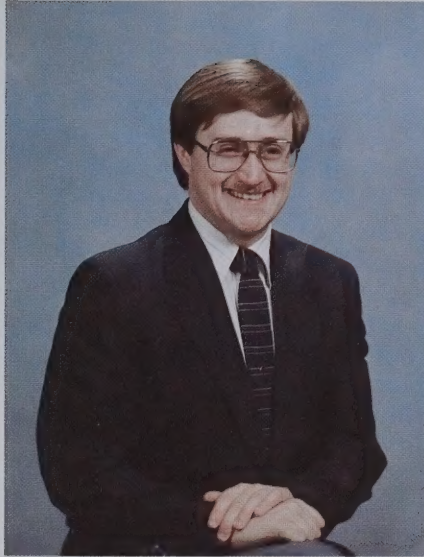

So let this wonderful directory be a regular reminder that you are an important part of this church. And may God continue to bless us as we seek to help our church grow in outreach, service, spirit, wisdom, and love.

Yours in Christ,

Doug Anderson
